

# Treasure Hunt Adventure

## Objective:

Collect as many treasures as possible and reach the "Finish" line first!

## Materials Needed:

- A sheet of paper
- A pencil or pen
- A pair of dice or a single die
- Small objects or tokens for players (e.g., coins, buttons)

## Setup:

### 1. Draw the Board:

- Draw a winding path with start and finish points. The path can have various shapes, twists, and turns.
- Divide the path into small squares or spaces.
- Label some of the spaces with special instructions like:
  - "Move forward 2 spaces"
  - "Move back 1 space"
  - "Collect a treasure"
  - "Lose a treasure"
  - "Miss a turn"

### 2. Add Treasures:

- Draw small icons (like stars, coins, or gems) on some spaces to represent treasures. Players can collect these treasures during the game.

## Rules:

1. Each player places their token at the start.
2. Players take turns rolling the dice and move their token forward the number of spaces rolled.
3. If a player lands on a space with instructions, they must follow them.
4. If a player lands on a treasure space, they collect the treasure.
5. The game continues until a player reaches the finish line.
6. The player with the most treasures at the end of the game wins!
